Hugh de Fowlshurst claimed that, as keeper of the royal avowries, on Sunday 14 September 1308, when he seized a horse belonging to John Picard, tailor, a burgess of Macclesfield, claiming it as a distrain for arrears, 41 Macclesfield men, many of them burgesses, attacked Hugh with swords, beat, wounded and ill-treated him, and retrieved the horse. He claimed to have suffered £40 damage, plus £1000 for contempt of the king.

Hugh summoned all 41 in the county court in Chester, but not one attended. The hundred of Macclesfield, including the borough, was an exempt liberty within the shire; a writ was sent to the bailiff of the hundred to attach the men to appear, but he would not comply. The county sheriff was then ordered by the court to go in person to Macclesfield, to attach them.

At the following court Fowlshurst summoned thirteen of the 41 — John Dapsy, Thomas Coly, William son of Mabilla, John son of Pymme, Hugh son of Hugh de Backford, Thomas Eliot, Henry Gosling, William the chaplain of

⁵⁹ Thursday 19 September 1308

John Picard, William de Warrington, William Clipping, Adam Tipping and Thomas de Astbury. The sheriff had entered the liberty, but had been unable to find eight of the thirteen. The five that he found (Eliot, Clipping, Gosling, Tipping and Astbury) had been attached, and had found pledges to attend court, but in the event none of them appeared, so all their ten sureties (including John Picard himself) were amerced, in their absence, sixpence each.

Six more of the 41 then appeared in court (William le Mercer, Hugh le Rede, Thomas de Leek, Richard le Swordslipper, John Jordan and Roger son of Thomas de Healey) and completely denied any involvement in the incident, and asked that the matter be put to a jury. The court deferred looking into their case.

The remaining 22 men (including Peter de Astbury) then appeared in court, on exactly the same charge, and stated that they were burgesses of the borough of Macclesfield, and as such were exempt by royal charter from appearing at Chester in such a case. They cited a charter received from the king himself, made as earl of Chester before he succeeded to the throne, confirming Macclesfield's status as a free borough; and they referred to a case heard in the county court in 32 Edward I ⁶⁰, when John de Astbury and Richard le Barker had been indicted for exchanging debased French currency, their immunity as burgesses was accepted, and their case was referred to the justice sitting in eyre at his next visit to Macclesfield. The doomsmen, steward and suitors of the county court now agreed that burgesses of Macclesfield should only be tried in Macclesfield, and Hugh was told that, should he wish to pursue the case, he should put it before the Macclesfield eyre.

At the following county court, Fowlshurst pursued his claim against seven of the thirteen (John Dapsy, Thomas Coly, William son of Mabilla, Hugh son of Hugh de Backford, Thomas Eliot, William Clipping, and Thomas de Astbury). The sheriff had been ordered to distrain Eliot, Clipping and Astbury, and to seize Dapsy, Coly, William son of Mabilla, Backford and Warrington, if they could be found. The sheriff had been unable to find Clipping, but had seized goods worth two shillings; he had not found Astbury, but taken goods worth 14d. Eliot had been found, but had no property by which he could be distrained. Dapsy, Coly, William son of Mabilla, Backford and Warrington had not been found.

Fowlshurst then separately sued William, John Picard's chaplain, for the same incident, claiming £40 plus £1000 damages. The chaplain appeared, and denied having been involved; his case was therefore put to a jury, to be held at the next sitting; but this does not seem to have been pursued.

John son of Pymme, Henry Gosling and Adam Tipping next appeared to answer in the same case. They stated that they, too, were burgesses of

⁶⁰ 1302-1303, a year for which the county court rolls are now lost

Macclesfield, so Hugh was instructed to sue them in Macclesfield, should he wish. Nevertheless, the court amerced them each in a shilling for previous defaults.

At the next county court, 10 June 1309, Fowlshurst brought the case again against Backford, Eliot, Clipping and Astbury. They stated that they, too, were burgesses of Macclesfield, so Hugh was instructed to sue them in Macclesfield, should he wish. Nevertheless, the court amerced them each in a shilling for previous defaults.

At the same county court Fowlshurst sued Dapsy, Coly, William son of Mabilla and Warrington, for the same incident: the sheriff had been ordered to take them, but had done nothing. He was again ordered to take them, and this part of the case was deferred to the next sitting.

That was on 22 July 1309. The sheriff now said that he had been unable to find them; he was ordered to try again. At the next court, 2 September 1309, the process was repeated, and so from court to court until March 1310 when they were outlawed, with a view to seizing all their possessions.
